

Miracles

Miracle = A miracle is an unexpected event that appears to be
Contrary to the laws of nature and therefore considered
To be the work of God.

The entire Swaminarayan Sampraday is filled with many ongoing miracles and miracles that have already happened, whether it comes in the form of giving bhaktos darshan or getting us out of difficulties, it is only Swaminarayan Bhagwan or his great devotees such as swami's that can perform miracles.

Why do Miracles happen ?

There are many reasons why Maharaj will perform miracles for us.

It may be that our satsang has faults, we might not be the ideal satsangi and through a miracle such as Swaminarayan Bhagwan giving us his divine darshan our faults can be removed and our faith can be strengthened.

There may be a time in our life we face extreme difficulties, such as life and death situations that Swaminarayan Bhagwan will easily take us out of, whether we're drowning or seriously injured due to accidents that might have taken place.

Even today many haribhaktos will have been given Swaminarayan Bhagwans darshan due to their extreme faith and love that they keep for Swaminarayan Bhagwan.

Below are a few example of miracles that have taken place and performed not just by Swaminarayan Bhagwan but high level swamis and satsangis...

Miracles from Maharaj's Day

In Ghadada, there was a strong female devotee by the name of Rajbhai. She had reached the age when it was time for her to get married; despite her wish not to get married she was forced to and although she pleaded to Swaminarayan Bhagwan to stop this Maharaj said get married and I will protect you. The first night together her husband was ready to have intercourse, as he came into the room he saw a lioness on the bed instead of Rajbhai, he went out and thought his was dreaming and when he came back in the lioness was still there, that's when he realised that Rajbhai is not meant to be married and I will let her go back to her home town. Maharaj protected her because she had extreme love for Bhagwan.

During Vyapkanand swami's yatra he came to a town where he met a business he was hugely in debt to a Muslim. The Muslim warned the business man if he done receive his Lakho (hundreds of thousands) rupees he would have convert into Islam. The business man told Vyapkanand swami of his situation and swami made him into a satsangi and said don't worry keep chanting Swaminarayan and you'll be fine. A few days later Swaminarayan Bhagwan came in the form of an ordinary human with a bag filled with lakho rupiya. And then the business man was free from all his worries and troubles simply because he kept faith in Swaminarayan Bhagwan.

In Vadtal Mandir, where LaxiNrayan Dev's Murti is, a few Brahmins from Kundal came to do Darshan, and what they was Laxmiji on the left hand side instead of the the usual right hand side (Our left and right) . Then they went to Swaminarayan Bhagwan in Vadtal on told him that you have done this Murti Pratishta wrong, Maharaj simply said no go have another look and when they went back and to their astonishment Laxmiji got up when back to the right hand side. They went back to Maharaj and said we're sorry for questioning you and thank you for the divine darshan you have graced us with.

On 8th January 1989 Dharmakishor swami was going from Willesden to Bolton on the M1. On the way, near Loughborough their car stopped working and the AA man came to fix it but swami told the bhagat he was with to send to AA man away. And half an hour later the car automatically started working when they reached further down the M1 near Kegworth they saw an aeroplane crash wreckage which they could've potentially been in. This shows the power of Swamis even in today's day.

In our Mandir there is a bhagat called Ramjibhai khimani, around 9 years he had a terminal illness and doctors told him he had only months left to live. Then his family called swamis in India, and they told him not to worry and everything will be fine. Within weeks he recovered and to the amazement of doctors even they call this a Miracle. To this day Ramjibhai still comes daily to the Mandir.

Agatrai is a town in Gujarat, there was a devotee called Parvatbhai and one day while doing farming he was wondering what Nurshi Avtar looks like and in that moment he received Darshan of all the Avatars that Maharaj has taken. And he saw all these Avatars one by one go into Swaminarayan Bhagwan thus proving that Maharaj is " Avataro na Avatari "

Like this there are many miracles we can spend all and day talking about, as just that many that Swaminarayan Bhagwan performs for our best. Feel free to discuss any other you may know of.

If we stay in Maharaj's Agna and always have unconditional love for him, Bhagwan has stated he will fulfil our desires and if we're lucky enough give us his beautiful darshan just like he has done to many many devotees already.
