

Ghanshyam Nursery School

'laying the foundations for life'

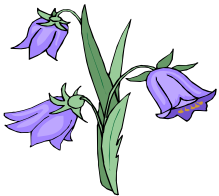

We strive to provide the highest quality childcare facilities and personnel for the social, personal, cultural and religious advancement of the child

Newsletter

Bluebell Room

This month we will be learning about farm animals; their habitats; what type of food they eat and the sounds they make. We will be singing nursery rhymes using props and reading books.

Parent partnership —Talk to your child about animals and read books with them.

EYFS Link - Communication and Language, Physical Development, Understanding the World, Expressive Arts and Design

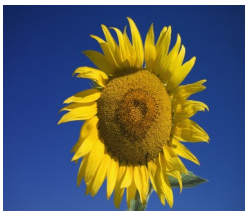

Tulip Room

This month we will be exploring different types of bugs and the difference between animals and insects. We will be looking for bugs in our garden using magnifying glasses.

Parent partnership — Take your child to a woodland and an area to explore the different insects. Please wear gloves for safety.

EYFS Link - Communication & Language, Understanding the World, Arts

Sunflower Room 1

This month we will continue to explore the topic of growing. We will be focusing on the different types of insects that we could find living in our garden. We will also investigate the life cycle of a butterfly.

Parent partnership— Find insects such as a worm, a snail from your garden and bring it in to the nursery for our “show and tell” time. Please make sure that the jar has a small hole for the insects to breath.

Nursery Manager

We are delighted to inform you that The Board of Governors have appointed Ushma Shah as the new nursery manager. She will work along with Kastur for a smooth transition.

Thank you!!!
Thank you to all the

parent who generously donated Easter Eggs. The Eggs will be distributed to 3 chil-

Free training
Paediatric first aid refresher

The nursery's online training provider is providing free training for parents. This course will give you the knowledge and confidence to deal with any emergency that might affect your child. If you are interested please let Kastur know.

Inset days 2022

Friday 10th June

Friday 12th August

Thursday 27th October

Sunflower 2

This month we will be learning about planet Earth. We will be learning facts about planet Earth and all the elements that make up Earth.

EYFS Link—Understanding the World, Literacy, Mathematics, Communication and Language

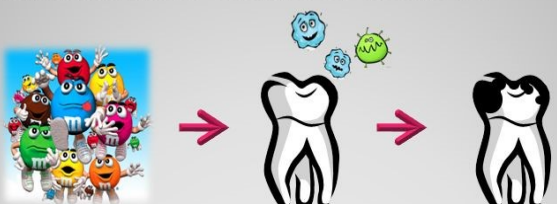

Emergency contacts:

May we remind all the parents to ensure that you are providing the nursery with the correct contact numbers and names for all adults who can pick up your child in an emergency. We are unable to send the children home with anyone that you have not authorised us to do so.

Oral Health

Please make sure you have registered your child with a dentist

- Tooth decay, also known as dental caries, is the most common infectious disease of childhood

- It can interfere with eating, sleeping, speaking, learning, playing, & school readiness

Children leaving for School

Your children would have received their first choice of primary school. To make the transition easier, please talk to your children about their new school, what uniform they will be wearing and the types of food they will be eating. We will also be planning activities in the nursery to ensure a smooth transition. Please note that 1 months' written notice is required for your child leaving Ghanshyam Nursery School. The latest day for leaving is 31st August

The policy of the month is:

Children's attendance policy (Please see attached sheet)

Health & Safety

A reminder to all parents/carers about the importance of not bringing in NUTS into the nursery. We have a child with a severe allergy and must not come into contact with NUTS at all.

Nursery Contact

Please can all parents ensure they have the nursery mobile number stored in their phone

The number is **07565113070/0208909 9389 option 1**

All emails to the nursery should go to enquiries.gns@sksst.org

Staff leaving

Angela will be leaving us in May for career opportunity. We wish her all the best in her new setting.

Dhrish - 3

Tuesday - We are going on a Bear Hunt

Wednesday - Handa's Surprise

Thursday - Little Red Riding Hood

Friday - Space books

Wednesday 18th May - National Numeracy Day - wear number clothes.

Children's attendance policy

At Ghanshyam Nursery School, we believe good attendance is essential if children are to be settled and take full advantage of the learning and development opportunities available to them.

At a young age continuity and consistency are important contributors to a child's well-being and progress. Also we believe regular attendance at nursery can set good practice for statutory school.

Our aim is:

- to create a culture in which good attendance is 'normality' and valued
- To value the individual and be socially and educationally inclusive
- To be consistent in implementation of our policy and procedures

All parents are made aware of the importance of regular attendance prior to entry and of the importance of collecting children on time. Our child collection procedure outlines our practice if a child is not collected from nursery.

The nursery collates and monitors attendance information for all children each half term in line with safeguarding good practice.

All parents are made aware that they must phone the nursery if their child will be absent, and let us know of any holidays that they may be going on. If not contact is made by the parents, the nursery manager will call the home by 11.00 am each day to find out why the child failed to make it into nursery. In the manager's absence, the deputy manager must ensure that this happens.

Children's absences are recorded in the register and the record table is completed daily in the office.

If we have any concerns with a child's attendance, our first instance would be to speak to the parents and try to support the family with and help and advice that they may need.

If the child's attendance did not improve, we would seek advice from other professionals such as a health visitor or GP. This may help with trying to find out what the problems or issue may be.
