'laying the foundations for life'

We strive to provide the highest quality childcare facilities and personnel for the social, personal, cultural and religious advancement of the child

October Newsletter

What we will be learning

Bluebell Room

This month we will be talking about wild animals, their habitats and what they eat. We will be singing animal songs and listening to the sounds of different animals

Parental Involvement: read books about wild animals and show your child animal pictures

EYFS Link - Communication & language, Understanding the World, Personal, Social and Emotional Development

Tulip Room

We continue to welcome new children in Tulip Room, we will continue to talk about the Golden rules. We will be looking at self-care and encouraging the children to be independent with basic hygiene needs

Parental Involvement: please send photos of children showing self-care e.g. washing hands

EYFS Link - Physical Development

Sunflower Room 1

We will be learning and focusing on "all about me". This will encourage children to gain self confidence, express themselves and use vocabulary in communication. We will continue to revise number recognition

Appropriate Clothing

With autumn & winter approaching please dress your child appropriately, also please could all parents check their child's bag at the end of the week if they need spare clothes. Please ensure that all the clothes are clearly labelled with your child's name.

Emergency Contacts

Parents are reminded to ensure that correct contact numbers and names for all adults who can pick up your child in an emergency. We are unable to send the children home with anyone that you have not pre-notified us of. This is important for the welfare of your child.

COVID -19 update

If you have any of the main symptoms of coronavirus (COVID-19), get a test as soon as possible. Stay at home until you get the result.

The main symptoms of coronavirus are:

- a high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- a loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal
- Most people with coronavirus have at least 1 of these symptoms

Policy of the Month

Mobile Phone Policy

We will be going through this in our next staff meeting also.

Dentist Visits

It is recommended that children visit the dentist when they turn 2 years old, this gives them confidence as they grow older. Please can all parents ensure they are registering with a local dentist and taking the children at their earliest convenience.

Nursery Contact

Please can all parents ensure they have the nursery mobile number stored in their phone

The number is 07722574698/020 8909 9389 opt 1

All emails to the nursery should go to enquiries.gns@sksst.org

A huge thank you to all of the Parents and carers for their participation in the MACMILLAN Cancer Cake & Bake Sale. We raised £379 in support of the MACMILLAN Cancer charity.

Particular thanks to:

Bunsi Kerai (Veer's Mum)

Arti Varsani (Mia's Mum)

Misha Hirani (Sia's Mum)

They were instrumental in the successful selling of cakes and delights on the day.

1.6 Use of mobile phones and cameras

Policy statement

We take steps to ensure that there are effective procedures in place to protect children, young people, and vulnerable adults from the unacceptable use of mobile phones and cameras in the setting.

Procedures

Personal mobile phones

Personal mobile phones belonging to our staff and volunteers are not used on the premises during working hours.

At the beginning of each individual's shift, personal mobile phones are stored in lockers, or in the office if a locker is not available.

In the event of an emergency, personal mobile phones may be used in privacy, where there are no children present, with permission from the manager

Our staff and volunteers ensure that the work telephone number is known to immediate family and the people who need to contact them in an emergency.

Our staff and volunteers will not use their personal mobile phones for taking photographs of children on outings. The nursery mobile phone is taken on trips only and the only circumstance that is acceptable is the Nursery Manager who will take her phone if necessary if on the trip.

Parents and visitors are requested not to use their mobile phones whilst on the premises. Visitors will be advised of a quiet space where they can use their mobile phone, where there are no children present.

Cameras and videos

Our staff and volunteers must not bring their own cameras or video recorders into the setting.

Photographs and recordings of children are only taken for valid reasons, i.e. to record their learning and development, or for displays within the setting whilst children are present.

Photographs or recordings of children are only taken on equipment belonging to the setting.

Cameras are kept in the nursery office and the chip is deleted each day and photos are deleted off the computer when we have finished with these.

Camera and video use is monitored by our manager in the setting

Where parents request permission to photograph or record their own children at special events, permission will first be gained from all parents for their children to be included.
