EYFS Link - Communication & Language, Understanding the World, Literacy, Expressive Arts and Design, Mathematics

Parent Partnership
Thank you to all the parents that have sent in pictures about activities you have been doing with your child. The children have enjoyed talking about their experiences.

Free training

Paediatric first aid refresher

The nursery's online training provider is providing free training for parents. This course will give you the knowledge and confidence to deal with any emergency that might affect your child. If you are interested please let Kastur know.

Inset days 2021

Friday 4th June

Friday 20th August

Friday 24th December

Sunflower 2

This month we will be introducing folk tales and fairy tales. We will be also introducing subtractions and continue writing small letters from the alphabet and introduce 'words from the 'at' family.

EYFS Link - Literacy, Mathematics, Communication and Language

Emergency contacts:

Can I remind all parents to ensure that you are providing the nursery with the correct contact numbers and names for all adults who can pick up your child in an emergency. We are unable to send the children home with anyone that you have not authorised us to do so.

We have a WOW board in the reception area. We would like you to bring pictures or work or anything that your child may have done that made it a "wow" moment. . Looking forward to receiving lots of "wow" work!!!

Getting Children Ready for School

Many of your children will have received their first choice of school. To make the transition easier, please talk to your children about their new school, what uniform they will be wearing and the types of food they will be eating. We will also be planning activities in the nursery to ensure a smooth transition. Please note that 1 months' written notice is required for your child leaving Ghanshyam Nursery

The policy of the month is:

Children's attendance policy (Please see attached sheet)

Health & Safety

A reminder to all parents/carers about the importance of not bringing in NUTS into the nursery. We have a child with a severe allergy and must not come into contact with NUTS at all.

Nursery Contact

Please can all parents ensure they have the nursery mobile number stored in their phone

The number is 07722574698/ 0208909 9389 option 1

All emails to the nursery should go to enquiries.gns@sksst.org

Freya - 3

Devina - 4

Sneh - 4

Children's attendance policy

At Ghanshyam Nursery School we believe good attendance is essential if children are to be settled and take full advantage of the learning and development opportunities available to them.

At a young age continuity and consistency are important contributors to a child's well-being and progress. Also we believe regular attendance at nursery can set good practice for statutory school.

Our aim is:

- to create a culture in which good attendance is 'normality' and valued
- To value the individual and be socially and educationally inclusive
- To be consistent in implementation of our policy and procedures

All parents are made aware of the importance of regular attendance prior to entry and of the importance of collecting children on time. Our child collection procedure outlines our practice if a child is not collected from nursery.

The nursery collates and monitors attendance information for all children each half term in line with safeguarding good practice.

All parents are made aware that they must phone the nursery if their child will be absent, and let us know of any holidays that they may be going on. If not contact is made by the parents, the nursery manager will call the home by 11.00 am each day to find out why the child failed to make it into nursery. In the manager's absence, the deputy manager must ensure that this happens.

Children's absences are recorded in the register and the record table in completed daily in the office.

If we have any concerns with a child's attendance, our first instance would be to speak to the parents and try to support the family with and help and advice that they may need.

If the child's attendance did not improve, we would seek advice from other professionals such as a health visitors or GP. This may help with trying to find out what the problems or issue may be.
